Logic-Based Messages:

If YES/NO Responses:

```
Hi {{first_name | default: "There"}}  
  
{% if last_message has 'Y' or last_message has 'yeah' or last_message has 'yes' %}  
  
This is where you type your YES response.  
  
{% elif last_message has 'N' or last_message has 'No' or last_message has 'Noo' %}  
  
This is where you type your NO response.  
  
{% else %}  
  
This is where you put your "Catch all" response if not YES or NO.  
  
{% endif %}
```

If A, B, C, D Responses (Multiple Choice):

```
Hi {{first_name | default: "There"}}  
  
{% if last_message has 'A' or last_message has 'WORD' or last_message has 'WORD' %}  
  
This is where you type your response to an A response.  
  
{% elif last_message has 'B' or last_message has 'WORD' or last_message has 'WORD' %}  
  
This is where you type your response to a B response.  
  
{% elif last_message has 'C' or last_message has 'D' %}  
  
This is where you type your response to a C or D response.  
  
{% else %}  
  
This is where you put your "Catch all" response if not A, B, C, or D.  
  
{% endif %}
```
